#### ADMINISTRATOR'S REPORT

Date: October, 2022 To: Elected Officials

From: Dayna Berman, Administrator

I am enclosing an estimated 2022 Levy Ordinance for Town Fund and General Assistance for discussion and possible vote. To accumulate proper funds in order to keep all departments and programs running, I have calculated a 4.9% increase from 2021 Levy Ordinance.

As our current security camera system is antiquated, we have begun the project of doing an inhouse install. We have upgraded our system and installed a more modernized camera system as well as been able to save money by not using to an outside vendor.

Town Hall is hosting a COVID-19 booster and seasonal flu vaccine clinic being sponsored by Jewel/Osco. The clinic will take place on October 28<sup>th</sup> at 10:00 am and is available for all 12 years of age or older. There will also be a flu vaccine available for those 65 years of age or older.

I attended the second Agency Funding Hearing and now have the difficult task of deciding how to allocate funds to the agencies, all of whom deliver much needed services to our residents.

I have been handling personnel issues and other employee matters.

Happy Halloween!

#### The year at a glance

In November, 2021 M3 Marketing, LLC was formed for the purpose of providing contractual PR and Marketing services on behalf of Maine Township. Since this time, M3 has led a partial rebranding of the Township's communication processes. In doing so, we have implemented key facets of the self-produced marketing audit and have clearly enhanced the Township's strategic and coordinated communication efforts telling the story of Maine Township to a wider and more diverse audience.

### Major Milestones

December	Facebook launch. The launch of the Township's first official Facebook page - allowing the Township to reach a new audience.	
January	Marketing Audit. This report covered strengths and opportunities for improvements. It covered all aspects of the Township's existing communications and marketing.	
February	Rebranding. Our consultation with the Township Board on rebranding included the adoption of a new logo.	
March	Video #1. We premiered "Maine Township Government and Services Overview" video at the March board meeting. This video allows residents and anyone else interested in Maine Township to understand the importance of Township government in an engaging and comprehensive overview. It can serve the Township for the remainder of the current board's term and possibly beyond.	
March	E-newsletter. Before March, the Township took a siloed approach to e- newsletter distribution. The launch of the new monthly e-newsletter consolidates information across departments while maximizing reach.	
April	Facebook advertising. While the Township historically advertised in certain publications like the Journal & Topics newspapers, digital advertising was an untapped potential platform. The Township's first Facebook advertising campaign resulted in 49,000 impressions.	
September	YouTube advertising. YouTube Advertising was used to promote the free property tax appeal service provided to Township residents by the Assessor's office. This ad campaign reached 100,000 impressions and helped promote this service.	
November	2022 recap video. A recap of Township achievements over the previous 12 months will be premiered at the November board meeting and disseminated on social media, the Township website and e-newsletter.	

### MEASURING UP TO THE 4 PILLARS

As part of our initial proposal, we presented 4 pillars to frame the Township's narrative and define why our work matters.

#### **Our 4 Pillars**

To educate, engage and demonstrate the essential role of Maine Township government in serving its residents.

Centering the residents in the Maine Township narrative.

Reaching 100% of Township residents with at least one targeted communication.

Information can and should be available and accessible to all Township residents regardless of age, race, income or Township municipality.

We strongly feel that we have utilized these core principles in our work sharing Maine Township's story with residents.

- Purpose: Our purpose guides every asset we create. It's our fundamental mission to connect residents with government.
- Vision: We frame our narrative around how the Township is serving its residents, remembering that residents are the center of the story.
- Mission: We've expanded the reach of Township communications and have aimed to meet residents where they're at - on mobile devices and digital platforms.
- Belief: In doing this we've strived to increase transparency and accessibility for all residents- establishing digital credibility for Township services, programming and cultural representation.

### RESPONDING TO THE MARKETING AUDIT

As part of our proposal and contract we conducted a full scale marketing audit. A chance to look under the hood of the Township and assess what is working and what can be changed or implemented.

#### **Branding**

As part of the marketing audit, M3 conducted discussions and collaborations of re-branding. In working closely with Trustee Kelly Horvath, M3 facilitated the adoption of new and uniformed pallet and color schemes as well as an updated logo for communications and marketing purposes.

#### Website Re-Construction

Our marketing audit led with the recommendation to re-build the website and provide needed fixes. M3 is happy to report that the Township staff has been working on implementing these changes to the website. Our recommendation continues to be to integrate the new branding into the website as soon as possible.

At M3 Marketing LLC, we are proud of the work we have contributed on behalf of Maine Township and its residents this last year.

Whether it is the branding overhaul, social media and advertising integration or professional videos and e-newsletters, we feel that as a team we have shown in one year that the Township is committed to delivering its story and the residents' stories to new and wider audiences.

Having the opportunity to collaborate with elected officials and staff has been extremely rewarding. Moreover, the fact that our marketing contract provides an opportunity to serve the public is a deep privilege that we are honored to take part in.

We ask for you to approve a one-year extension to our marketing and public relations consulting contract for the period of December 1st, 2022 - November 30th, 2023.

Respectfully,

RE: Proposed 2022 MTH Levy

Attached is the proposed 2022 Maine Township Highway Department Levy which will remain flat into the next fiscal year. Despite the rising cost of goods, labor and materials, the Highway Department feels that we can pursue additional funding to not add burden to the taxpayers of Maine Township.

#### **Current US Inflation Rates: 2000-2022**

The annual inflation rate for the United States is 8.2% for the 12 months ended September 2022 after rising 8.3% previously, according to U.S. Labor Department data published Oct. 13. The next inflation update is scheduled for release on Nov. 10 at 8:30 a.m. ET. It will offer the rate of inflation over the 12 months ended October 2022.

The chart and table below display **annual US inflation rates** for calendar years from 2000 and 2012 to 2022. (For prior years, see historical inflation rates.) If you would like to calculate accumulated rates between two different dates, use the US Inflation Calculator.

\*The latest inflation data (12-month based) is always displayed in the chart's final column.

#### Table: Annual Inflation Rates by Month and Year

Since figures below are 12-month periods, look to the December column to find inflation rates by calendar year. For example, the rate of inflation in 2021 was 7.0%.

The last column, "Ave," shows the average inflation rate for each year using CPL data, which was 4.7% in 2021. They are published by the BLS but are rarely discussed in news media, taking a back seat to a calendar year's actual rate of inflation.

#### **Calculating Annual Inflation Rates**

Annual rates of inflation are calculated using 12-month selections of the <u>Consumer Price Index</u>, which is published monthly by the Labor Department's Bureau of Labor Statistics (1815). For example, to calculate the inflation rate for January 2017, subtract the January 2016 CPI of "236.916" from the January 2017 CPI of "242.839." The result is "5.923." Divide this number by the January 2016 CPI and then multiply by 100 and add a % sign.

#### **Something Smells**

Why does the downtown post office have a sewer smell?

#### **Township Helpful**

I would like to send a special shout out and thank you to Maine Township's Assessor's Office. It has always been very helpful with my appeals of my property tax. Thank you for all the work you do. This is how a government office should work, helping the people of the community. Thank you.

#### It's Simple

Hello, I'm calling up to offer a simple answer from the Wednesday, Sept. 28 Journal. The answer to my question about the Romano's and Kmart situation, why they can't reverse it. Okay, my question now is why can't they use Maine West High School? There's a lot more room. They have weekends and it would avoid a traffic jam on Center Street like they do at Romano's. Thank you. Bye, bye.

#### First Come, First Served

Our thoughts and prayers go to the families in Florida affected by the devastation, those that lost loved ones, as well as pets. My main concern is the comment by the vice president of the United States, Kamala Harris, stating that we should go first for black and brown people when we rescue. That's wrong. It does not work that way and I hope that never gets approved. First come, first serve. Thank you.

Thanks Neighbors

## MAINESTREAMERS HIGHLIGHTS September 2022 Marie Dachniwsky, Director

In the month of September we offered four day trips to our members: Lake Geneva Mailboat Tour along with a tour of Black Point Mansion, Murder on the Orient Express, Dreamgirls, and Fiddler on the Roof. We also hosted our regular monthly programs, as well as a few highlighted events: Informative – City of Roses, sponsored by Center of Concern, "Lost Chicago Department Stores", presented by Leslie Goddard, and North Suburban Legal Aid Clinic, sponsored by Maine Township and the MaineStreamers. To end the summer on a high note we hosted our final Tailgate Bingo and Summer Concert, Dancing Queen. At the end of the month we welcomed our new members at our Newcomers program. Throughout the month a combined total of 699 members (some duplicated) were able to enjoy our MaineStreamer activities. A few of the highlighted events and programs for the month of September were:

Informative: "City of Roses: The Des Plaines Greenhouse Industry" presented by the Des Plaines Historical Society, with lunch provided by the Center of Concern. A huge crowd filled the community room where they enjoyed a hot lunch provided by Center of Concern. They also informed our members of details regarding their congregate lunch program that is free to qualifying older individuals. After lunch members thoroughly enjoyed a presentation about the Greenhouse Industry that made Des Plaines a top grower and supplier of flowers in the Nation. Back around the turn of the century, a variety of flowers but mostly roses and carnations were being grown by farmers, here in Des Plaines in special greenhouses that were warmed by steam boilers to protect the flowers during the cold winter months. Many members who have lived in Maine Township were surprised to have never known these historical facts regarding Des Plaines.

When learning about this upcoming program, members Carol Winandy and Susan Clark, whose grandfather and father were one of the original local builders of Greenhouses, called us to see if they could donate photos and a book to the Historical Society that was left to them by their grandfather and father. Even one of the slides that was shown in the presentation was an actual photo of their grandfather and father sitting in a horse drawn wagon. This was one of the most interesting presentations that we have had and the personal connection that took our members back to the turn of the century was truly fascinating.

Informative Luncheon: "Lost Chicago Department Stores" presented by Leslie Goddard. Chicago was home to some of America's grandest department stores: Marshall Field's, Carson Pirie Scott, Sears, Wieboldt's, Montgomery Ward's and Goldblatt's. In this illustrated lecture historian and author Leslie Goddard, Ph.D., revisits Chicago's fabulous retail emporiums and explores their rise and fall. Prior to the presentation members enjoyed a wonderful lunch at Club Casa.

**North Suburban Legal Aid Clinic; Power of Attorney** was a free informational session about Powers of Attorney for health care and property. This programs was advertised in the Mainely News and the MaineStreamer Newsletter, sponsored by the Township. We had a total of 49 participants attend. Some members were eligible to sign up for a free appointment with an attorney to execute their powers of attorney documents at a later time.

#### Day Trips

Lake Geneva Mailboat Tour along with the Black Point Mansion- Members enjoyed a beautiful day in Lake Geneva, starting with the scenic mail boat tour around the lake, lunch and free time to walk around town. Lastly, they took a tour of the Black Point Mansion, a historic lakefront home built in 1888. Murder on the Orient Express, Drury Lane Theatre — This play, an adaptation of Agatha Christie's famous murder mystery of who done it, takes you on a journey on the Orient Express! When an American Tycoon is found dead in his compartment Detective Hercule Poirot leads the investigation to catch the killer. Dreamgirls, Paramount Theatre, takes us back in time to the 1960's when the sound of Motown was on the rise and three women were trying to break onto the music scene as they navigated the highs and lows of life, love and fame. Our last day trip for the month was Fiddler on The Roof, The Lyric Opera. One of the world's leading opera directors created this completely original version of this masterpiece. With the full power of the Lyric Opera Orchestra and a production that is both grand in scale and intimate in its power, brings you to the heart of the village of Anatevka where a family experiences joys and sorrows.

**Newcomers Presentation -** We welcomed 23 new members to Maine Township and to the MaineStreamers. When a resident of Maine Township becomes a new member, they are invited to attend an orientation. They are greeted by two MaineStreamer members and the staff. They are first shown the Township Video, which highlights the Township's Departments. After the video we cover important information regarding the MaineStreamer program, day trips, programs and registration process.

### MAINESTAY YOUTH & FAMILY SERVICES OCTOBER 2022 BOARD REPORT

RICHARD LYON, DIRECTOR

#### APOLLO COUNSELING PARTNERSHIP

For the past several months, we have been working on being able to provide counseling services to Apollo Elementary School students at Apollo. This service will be offered to students in need of mental health treatment who have identified barriers to receiving services at our office. We now have a signed collaborative agreement in place which stipulates that fees incurred for each session are to be paid by District 63 using our sliding fee scale. We appreciate our Family Therapist Summer Zumbrock for eagerly and willingly taking on this additional responsibility. She saw her first client at Apollo on October 6, and we are excited to see where this partnership leads.

#### FEATURED STORY OF THE MONTH

Please see the attached email I recently received from the parent of a child who participated in the last session of our Workshop Improv Theatre program led by Evan White.

#### COOKING CLASS

Our new Cooking Class was held on September 22 from 4-6 pm and was filled with 10 participants and a wait list. This class was taught by an experienced chef from the non-profit organization, Youthage Culinary Specialist. Participants prepared a delicious chicken and vegetables dish using cooking techniques such as searing and sautéing. Thanks to Evan White for finding the company who taught the class and for coordinating all the details. Due to the interest in this program and positive feedback from program participants, we will offer an expanded 4-week cooking class starting on November 10.

#### COUNSELING SERVICES

MaineStay continues to offer clients the option to be seen in the office or via telehealth (video or phone) for counseling services. We had 8 new counseling intakes completed during September. We currently do not have a waiting list for services. We had 74 ongoing cases and now have a total of 82 cases in our affordable, strength-based counseling program. MaineStay is honored to assist our residents of all ages who are struggling with mental health concerns.

#### **PSYCHIATRIC SERVICES**

MaineStay, in partnership with Josselyn, continues to provide psychiatric services to our residents age 12 and older. We are currently working with a total of 47 psychiatric clients. This partnership allows clients receiving counseling services at MaineStay to receive psychiatric services from Josselyn via telehealth without also needing to be seen for counseling there, as many prefer receiving counseling closer to home.

From: Sent: To: Cc: Subject:	Sunday, October 2, 2022 1:29 PM Richard Lyon Evan White Improv Feedback
Good morning,	
I am writing this le in the next section	etter because my son recently finished the Improv class with Evan White, and he is currently starting of the class. I want to tell you what I saw with Evan, but first I need to tell you a bit about my son.
	I live in Des Plaines with two boys, ages 17 and 11. Ication teacher at Iroquois Community School in Des Plaines. I adopted as a baby through stem.
then one should ha	zing eleven year old boy, with a kind heart and a great sense of humor. He has had more challenges ave to. has a cognitive disability and is on the autism spectrum. He was diagnosed with everal years ago. also suffers from depression and anxiety.
More than anything friends because programs as well. is either too social groupr. The kids daddition, when	just doesn't seem to "fit in" anywhere. We have signed him up for a variety of park district
On somewhat of a a few classes, but afraid to show him	then would be too nervous, and want to stop attending. I know is funny, but he is too
	class, I was nervous. What if felt worse about himself afterward? I was not sure if I had sision. Luckily, I could stay and watch the class.
was calm and enga with awe as Evan i	needed. Evan aging. He literally had every student laughing and participating in the first five minutes. I watched made each child feel they were the most important contribution to the class. He was not even a little and do everything he could to make sure the students were not just learning, but loving it too.
same weeks, I wat Wednesday nights	Evan introduced new lessons and activities, but kept his same enthusiasm and patience. In those sched go from participating somewhat reluctantly, to raising his hand to go first. These quickly became the highlight of our week. talked about Evan, and how nice he is. and felt better about himself.
	took a variety of other classes. This time, however, he had much more confidence in w that improv was going to be offered again, I asked if he would like to sign up for it. You at he had won \$1000 by his reaction.
	definite highlight in a sexperiences. There is only one reason for this, and that reason is Evan me it may just seem he is teaching a class, for my son he changed the world.

Thank you,

Richard Lyon

#### **General Assistance:**

We closed two clients and currently have 30 current enrolled clients as of the end of the month.

#### Advocacy/QMB, Snap, and Medicaid:

In September, we helped residents with the various forms of Public Aid (Food Stamps, Medicaid, and Cash Assistance) 16 times. We have been receiving a lot of phone calls from residents seeking any help they can get and have referred them to community resources on 37 occasions during the month.

#### **Benefit Access:**

The Secretary of State has ended their extension on License Plate stickers effective April 1st. This is a program which grants a reduced rate on license plate stickers and a free or reduced transit card to qualifying residents. We helped 19 individuals get approved in the month of September.

#### **CEDA/LIHEAP:**

Our LIHEAP season ended May 31st. Just as last year, it was as busy as ever. Since CEDA granted people the ability to apply for this program remotely, we have been able to serve more people in need. This is our Energy Assistance program that awards eligible applicants a one-time grant on their electric and gas bills. We also assist with PIPP which is a payment plan to help ensure residents can pay their utility bills every month. Over the course of the season, we have completed over 1400 applications not including PIPP, Weatherization, or the Furnace program. The new LIHEAP season began September 7<sup>th</sup>. We had 132 appointments for CEDA's various programs this month.

#### **Senior Information and Assistance:**

As of September 30<sup>th,</sup> we have welcomed a new Senior and Disability Advocate to our department. We are excited to have Halie Reyes assist our residents with Medicare.

- Continue to organize, pack and deliver 42 bag lunches per week for children from School District 63.

Re: Monthly Report

October has seen garbage become an issue on a few of Maine Township's streets. One particular street is Terrace Place which is just south of Golf Rd. Residents have been calling me to complain about one set of townhouses that always seems to have garbage all over their lawn. I went to check out the area and found that these residents that were calling me, had every right to be upset at what they had to look at. I took note of a few addresses that I thought might be the problem and found that one resident has not been paying for garbage for a number of years. A warning was given and after no compliance a ticket was issued. I have continued to monitor the situation every week on this block during garbage pickup and am pleased to see the mess has been cleared up. I have had two water main breaks in unincorporated area this month, both of which were reported and repaired.

The fall has brought our residents out for last minute projects to their homes. This includes fall cleanup on properties. The weather has been in favor for such activities. In my journeys through the township, I have found residents blowing leaves off their property and onto the street. This is in violation of our Leaf Ordinance. This is a serious problem due to the fact that the leaves the residents blow in the street block the flow of rainwater to the sewers causing serious flooding. I have issued several warnings this past month alone in regards to violating our Leaf Ordinance and all have been resolved. Residents have also brought unwanted items to the curbside in front of their homes leaving these items on our Right of Way. Through experience, I know these items can sit for quite some time, getting these items removed is not only for safety, but also before any snowfall. Construction work such as replacing concrete and roofs on properties has also been slowed this past month. I had two stop work order for no construction permit which the resident complied, paid the citation and applied for the permits.
