TRANSPORTATION – SHUTTLE SERVICE

Effective Date: 03/30/2026

Dear Resident,

Maine Township is pleased to offer **FREE** shuttle transportation services to our township residents. In an effort to serve as many residents as possible, we are limiting three rides per month, per household, as well as, limiting all trips within our township boundaries.

Due to the high volume of requests, **we strongly suggest that you schedule two weeks in advance, and to notify our office of any changes or cancellations at least 48 hours before the appointment date.** With timely notification, we hope to avoid further scheduling issues and to help another resident in need of a ride.

Failure to communicate with our office of any cancellation may result in being given another transportation service as an option. We will strive to assist you in your transportation needs; however, we do not guarantee rides.

You may consider alternate transportation services in our area:
FISH - 847/350-8090; Frisbie Senior Center/GenCenter – 847/768-5944;
Connections to Care – 847/222-9227; Helping Hands (Glenview) 847/729-8181

Please call 847/297-2510 EXT. 251 for more information or to schedule or cancel any trip(s) every Monday through Friday, 9 AM to 4 PM. Kindly have your appointment information ready before calling and please be considerate of other residents/riders and plan to be on time for your pick-ups.

As always, we are glad to be of help to you.

Sincerely,
Maine Township Transportation Team
