Dear MaineStreamers,

On behalf of the MaineStreamers department, we wish you a Happy New Year!

We have so many exciting events and trips planned for this upcoming year. With the New Year approaching, I hope everyone will take the time to say hello to old friends, but also to our new members. Long winter months can be lonely so reach out to neighbors, who are not yet members, and invite them to join you at an event.

We are once again offering "Lost Chicago Department Stores" presented by Leslie Goddard. We had such an overwhelming response, and unfortunately many members received a regret letter.

Marie Dachniwsky, Director

These seven states sent over one million men to serve in the Union army. Through the use of personal stories and narratives, the Museum also explores how the Civil War impacted the people on the Western home front before, during, and after the war by connecting the prewar causes to the postwar effects. We will also experience a live reenactment of Caroline Quarlls - *My Independence Day*. Caroline Quarlls, an enslaved 16-year-old girl living in St. Louis, made the life changing choice to seek her own freedom. On that day, Caroline left the slave state of Missouri and began a journey that would take her to Milwaukee, a growing city in the Wisconsin Territory. There, she met a number of people who assisted with her escape to freedom to Canada. Our final stop will be at Mars Cheese Castle.
