### Maine Township Town Hall 1700 Ballard Road Park Ridge, IL 60068 Tuesday, August 25, 2020

### Township Board Meeting AGENDA

This meeting will be conducted by audio or video conference without a physically present quorum of the Maine Township Board because of a disaster declaration related to COVID-19 public health concerns affecting the Township. Pursuant to Senate Bill 2135, which Governor Pritzker signed last Friday, the Township Supervisor determined that an in-person meeting at the Township building with all participants is not practical or prudent because of the disaster. Township officials and legal counsel will not be physically present at the Township building may be limited or not feasible, so alternative arrangements for public access to hear the meeting are available here: <a href="https://us02web.zoom.us/j/85305288713">https://us02web.zoom.us/j/85305288713</a>. To obtain password to connect to this meeting, please call Richard Lyon at 224-257-4869 prior to 6:00 p.m. on August 25, 2020. The meeting will also be audio or video recorded and made available to the public, as provided by law.

# ADMINISTRATOR'S REPORT

Date: August, 2020 To: All Elected Officials From: Dayna Berman, Administrator

We continue to hold most of our programs either virtually through zoom or outside town hall in the tent located in the parking lot. We are still operating by appointment only for all departments; this is working well as we continue to have light traffic in the building throughout the day which minimizes the number of people that come in contact with each other. In addition to our COVID 19 adjustments, internal operations continue as normal. Our admin team, along with the addition of our HR generalist, has already developed a cohesive plan to streamline the department. I have restructured tasks and duties within our department based on the strengths of each employee.

We have scheduled the second phase of carpet installation which was approved by the board just before the COVID pandemic hit. This was on the agenda in February, however, once we decided to close our building, this project was put on hold. At this time, we have scheduled carpeting to be installed over the weekend when employees will not be present in the building. This is scheduled for mid-September.

Township residents continue to be very generous and remember our food pantry program during these hard times. We have received many donations of food as well as offers from those who are willing to do some food shopping as well. We even had a young girl set up a lemonade stand and with the proceeds she purchased food for our pantry. The thoughtfulness of our community is astounding and we are so lucky to have people keep our program in mind.

I met with department heads on a regular basis, reviewed bills and invoices, and communicated with vendors (accountant, insurance broker, attorney and banker) as needed.

August 20, 2020 To: Trustees From: Mike Samaan, Director of Maintenance Re: Carpet Project

Please find attached the carpet proposal from Villano Interiors INC. This portion of the carpet project will consist of removing the old carpet from the Township Boardroom and replacing it with new carpeting. I'm recommending the Township go with Villano Interiors INC, the same company that replaced the carpeting in the Township offices and are about to begin replacing the carpet in the common areas. The estimate for this project is \$10,347.00 and would be taken out of Capital Fund.

# 2020 Township Salary Survey

S MANY OF YOU KNOW, later this year each township board and multi-township board is charged with setting the compensation for each elected township and multi-township office for the upcoming term, beginning May 17, 2021 and ending the third Monday in May 2025 (beginning January 1, 2022 for assessors, multi-township assessors and Tax Collectors and ending December 31, 2025). To aid township officials with this process, during January of this year, the Township Officials of Illinois (TOI) sent a salary survey to township clerks throughout the State of Illinois. The information gained from the survey will assist township and multi-township boards throughout the state, compare their salaries with those paid in other townships of similar size, assessed valuation and population. Obviously, due to space, we cannot print each salary submitted so we have done the best we can and provided results in ranges.

The results of the survey indicate the salaries of townships grouped by counties into zones, and we recommend each township official review and consider this information prior to setting salaries for the new term of office. The results also indicate the number of townships responding to the survey for each office, whether health insurance coverage is provided, and whether a retirement program is provided to the official. If you have questions on setting salaries, please consult your township attorney or contact TOI. Just remember, you MUST set the salaries by the statutory deadlines. be best to review the statutory guidelines on setting salaries.

According to state law, compensation for the elected township officials shall be set by the township board at least 180 days prior to the beginning of the term of office. Compensation, which includes benefits such as health insurance coverage must be set by the board no later than November 18, 2020 and must be done in an open meeting with a public vote by the board.

According to state law, compensation set for the multi-township assessor and multi-township assessment district (MTAD) board members must be set at least 150 days before the election. Salaries for the multi-township assessor and MTAD board members must be done in an open meeting with a public vote by the MTAD board no later than November 7, 2020.

Again, any health insurance benefit provided is considered part of the compensation package and needs to be set at the same time salary for the position is set. Health insurance payments must be made directly to the provider and not be paid directly to the elected official as a form of reimbursement.

The Attorney General's Office has stated that even discussion of the salaries for the elected officials must be done in an open meeting. The Open Meetings Act

Before getting into the results of the survey, it may

Please remember that salaries may only be legally established by statute. For each elected official here is what the statutes say:

Office	Minimum Salary	Maximum Salary
Supervisor	None	None
Road Dist. Treasurer (Supervisor)	\$100.00	\$1,000.00
Clerk	None	None
Assessor or Multi-Township Assessor	None	None
Highway Commissioner	\$3,000 Minimum Annual Salary	None
Trustees*	None	None
Tax Collectors	None	None

(only three counties as of the new term will have township tax collectors. They are Madison, Peoria, and Will.)

\*(Multi-Township Board of Trustees, which is the Supervisor and Clerk from each township in the MTAD, may receive additional compensation for their service, set by the multi-township board, in an amount not to exceed \$25/day for each day of service)

does contain a provision that allows for a closed session to discuss the salary schedules for employees. However, the Attorney General's office has said that elected township officials do not fall under the definition of "employee" and thus discussion, deliberation and the final vote on salaries for elected township officials must all be done in an open public meeting.

## Supervisors, Clerks & Trustees

Generally speaking, supervisors and clerks are paid annual salaries. However, these offices may be paid on a per diem basis. In addition to their salary, a supervisor may be compensated for serving as Road District Treasurer. The salary as road district treasurer may not be less than \$100 nor more than \$1,000 per year. This must also be set at the same time as the other township officials' salaries and must be paid out of the town fund. Trustees may be paid either an annual salary, or on a per diem (per meeting) basis.

### **Highway Commissioners**

Highway Commissioners may be paid an annual salary (minimum of \$3,000) or a per diem salary but NOT a combination of both. Highway Commissioners may not legally be paid an hourly rate or overtime for hours in excess of an established number. It should be understood that per diem payments are for all duties carried out in a single 24-hour period. However, if a per diem is established, the township board must be prepared to pay the per diem for every day of the year including Sundays and holidays.

### Assessors

Township assessors and multi-township assessors may also be paid a per diem or an annual salary. There is no provision though for a per-parcel payment, even if per-parcel compensation is utilized for establishing a fair annual salary. The salary ranges for assessors shown in the survey results do not include reimbursement of official expenses incurred by travel, training, education, postage, etc., required for administering the office of assessor or multi-township assessor.

# SURVEY RESULTS

The results of this survey will aid your township in comparing your salaries with those paid in townships of approximately the same population and assessed valuation. Please keep in mind the salaries set remain in effect for the four-year term beginning May 17, 2021 (January 1, 2022 for assessors, multi-township assessors and collectors). Note that it is acceptable to establish incremental increases (or decreases) for each of the four years, but the compensation must be set by the respective boards prior to the last day to set salaries for the 2021 township election as outlined above.

### **Supervisors**

As past surveys have illustrated, salaries in Zone I are generally higher than the other zones. This zone includes Cook and the "collar" counties. According to the survey results, over 93% of the supervisors in Zone I make at least \$10,000 a year, with 43% receiving more

than \$30,000. Of the supervisors in Zone II, over 39% of those responding are paid more than \$10,000 and only 1% receive \$30,000 or more. A bulk of the supervisors receive a salary between \$1,000 and \$10,000 in Zones III, IV, V, and VI with Zone III 82%, Zone IV 72%, Zone V 87% and Zone VI 82% respectively. In addition, 75% of those supervisors who responded that they receive compensation as Road District Treasurer in Zone I receive \$1,000 as road district treasurer, with 54% in Zone II, 47% in Zone III, 70% in Zone IV, 40% in Zone V, and 62% in Zone VI receiving the same compensation.

# Clerks

As with supervisors, the clerks in Zone I receive a greater salary than that of the clerks in the other zones. Approximately 91% of the clerks responding to the survey in Zone I receive at least \$5,000. In fact, in Zone I a vast majority of clerks, nearly 65% receive an annual salary between \$5,000 and \$20,000. In Zone II, 48% of the clerks responding receive less than \$5,000 in salary with only 51% falling in the \$5,000 to \$20,000 range. A majority of clerks responding receive less than \$5,000 per year in Zone III 81%, Zone IV 65%, Zone V 90% and Zone VI 68%.

.'

### Trustees

Respondents showed a mix of per diem and annual basis for Trustees compensation. It appears that Trustees compensation is a reflection of the population figures, with Zone I experiencing the highest range. All Zones, except Zones I and II show a majority of trustee compensation in the below \$1,000 range.

### **Highway Commissioners**

Results indicate that in Zone I, 97% of the highway commissioners earn \$10,000 or more and 73% receive over \$30,000. Similarly, in Zone II, 92% receive \$10,000 or more with 41% receiving over \$30,000. The information illustrates that highway commissioners in the \$10,000 or more range are as follows: Zone III 90%, Zone IV 95%, Zone V 86%, and in Zone VI 97%.

It is safe to say that a significant number of highway commissioners serve full time. This explains the distribution of funds when comparing to other officials.

### Assessors

The state of the set o

In Zone I, the largest percentage of assessor (single) salaries lie in the over \$30,000 range, at 71% of the respondents. The assessor position is generally considered a full-time post in Zone I. Zone II had 31 assessor (single) responding with 90% being over \$10,000 range of which 32% is over \$30,000. Zone II showed 23 multi-township assessors responding; the largest percentage in the \$10,000 to \$19,999 range at 47%. Zone III had 30 assessor (single) responses. Though they ranged from \$1,000 to over \$30,000, the highest percentage was over \$30,000. Zone III had 46 multi-township assessor responses; the highest percentage in the \$10,000-\$19,999 range. Zone IV had 36 assessor (single) responses and 35 multi-township assessor responses. The assessor ranged from the \$1,000 to over \$30,000 with the largest percentage for assessor in the \$10,000-\$19,999 range and multi-township assessor in the \$5,000 to \$9,999 range. Zone V had 19 assessor (single) responses with the highest percentages in the \$5,000 to \$9,999 range. Zone V multi-township assessors responded with 33 with the vast majority making \$1,000 to \$9,999. Zone VI had 28 assessor (single) responses with the majority in the \$5,000 to \$9,999 range and it had 54 multi-township assessor responses with majority in the \$5,000 to \$9,999 and the \$10,000 to \$19,999 range.

Salaries for township and multi-township assessors show a lot of disparity between Zone I and all the other zones. Again, although a per-parcel salary is not permitted by statute, you may want to consider the number of parcels to help make a more reasonable salary determination for the assessor. This information may be obtained from your assessor or your chief county assessment officer.

# MAINESTREAMERS HIGHLIGHTS July 2020 Marie Dachniwsky, Director

July has been a busy month with outdoor programs under the Tent, on Zoom and in our Parking Lot with Special Events.

We offered a variety of weekly outdoor programs, such as Bingo, Day at the Races, and Coffee Talks. Once a month we are holding a craft class. Participation for all outdoor activities has been at our maximum capacity allowed. Members have really enjoyed socializing, getting to know one another, and being able to participate in programs outside under the tent. We have also continued providing on line Zoom programing for Bingo, Day at the Races and Trivia. This is great for members that have difficulty coming out.

Our Fridays under the tent have been especially fun. We have created a variety of "Game Show" boards, such as Wheel of Fortune, Concentration, Family Feud and Card Sharks. Members compete as individuals, or in groups for games like Family Feud. We even hosted "The Newlywed Game" for our married members (some have been married for over 50 years). These games bring laughter, socialization, competitiveness and team bonding. We offer gift cards from local business as prizes.

# Tailgate Bingo

One of our special events for the month of July was our second Tailgate Bingo, which we hosted on Wednesday evening, July 8th. We had a total of 25 cars pull up into the Maine Township lot. Members had the choice of sitting in their cars or bringing foldable chairs. We supplied Bingo cards and water. Many of the members made a fun evening out of this event. They brought chairs, tables, appetizers, and even pizza, as they enjoyed a safe evening amongst friends playing Bingo.

# Drive-In Concert - Diva Montell

Finally, we hosted a Drive-In Concert Featuring Diva Montell. The concert originally was scheduled for July 15<sup>th</sup>, however, due to rainy weather we needed to use the rain date which was July 22<sup>nd</sup> from 7:00pm-8:30pm. A total of 43 members enjoyed this summer evening concert as Diva performed many of our favorite songs. By the end of the evening everyone was up dancing in their designated spots. This evening was definitely a hit among our members.

The staff has also been busy creating and developing new content to post on the Maine Township website under Senior Activities, on the MaineStreamers' page. We have also continued to volunteer to pack and distribute food boxes for our Food Pantry clients and help staff and monitor the front door.

# **Did You Know....?** Where is Chicago's Smallest Neighborhood?

Chicago is divided into seventy-seven official community areas, and its communities come in all sizes - even micro size. Tucked into Irving Park on the Northwest Side is a hidden, historic neighborhood called the Villa District. The Villa is composed of a collection of 126 homes on seven distinctive blocks that form this beautiful community. The original marketing materials described the Villa District as "the Park in Irving Park". The Villa District is known for its stone pillars at every street corner, pillars with light stands and planters. In 1907 The Villa was built for wealthy Chicagoans as an escape from the congestion of the city while maintaining access to the city via the nearby train and streetcar. The homes are mostly bungalows, which were designed and influenced by Frank Lloyd Wright's Prairie Style bungalows. The Villa Historic District was added to the National Register of Historic Places on September 11, 1979.

# **Trips On Paper**

Beyond the Vines -

Did you know that a Northwest Side cemetery in Chicago is home to a slice of Wrigley Field despite being five miles away?

At the Bohemian National Cemetery, diehard Cubs fans can pledge their immortal baseball loyalty by being laid to rest in a replica of Wrigley Field. "Beyond the Vines" is a Columbarium that was dedicated in 2009. Dennis Mascari purchased the property, funded the wall, and donated it to the cemetery. In 2011 he was actually buried there himself, occupying one of the 288 burial niches. Ivy climbs the twenty-four-hundred-foot -long red brick center field wall, which features a yellow four-hundred-foot marker. A stained glass scoreboard is perpetually set to 1:20 p.m., the start time of the home opener. Visitors can rest on a bullpen bench or stadium seats directly from Wrigley Field. A home plate, turf, dirt around the wall, and paver stones all from the ballpark complete the scene.

# Chicago's Sky Chapel

Have you ever wondered where the world's tallest church is?

The Chicago Temple Building is a 568 foot tall skyscraper church located at 77 W. Washington Street. When being built the city raised the height limit for buildings to accommodate the Gothic Skyscraper. It was completed in 1924 and has 23 floors. The First United Methodist Church of Chicago is located on the first floor. It is a sanctuary which seats five hundred worshipers. However, those who really want to get close to heaven can take two elevators and a set of stairs to the Sky Chapel. The Chapel is tucked inside the old bell tower on the twentyseventh floor. It was a gift from the Walgreens family in 1952 in memory of store founder Charles Walgreen. The alter depicts Jesus weeping over Chicago. At 568 feet tall, the mixed-use building's Sky Chapel is considered the highest place of worship above street level.

# July Is National Blueberry Month

Blueberries are one of the only natural foods that are truly blue in color. Blueberries are native to North America where they grow throughout the woods and mountainous regions in the United States and Canada.

Native Americans used the leaves to produce tea, which was said to be good for the blood. The berry juice was extracted in order to treat coughs and the leaves, bark

and roots were also included in other medical remedies for the Native American tribes, utilizing every part of the plant. Early American colonists made grey paint used to paint woodwork in Shaker houses by boiling blueberries in milk.

Wild blueberries are grown on 60,000 acres in Maine, and 99% of this wild blueberry crop is frozen. The wild blueberry is the official fruit of Maine and is often as much a symbol of Maine as the lobster. The antioxidant level of half a cup of blueberries is equal to two and a half cups of spinach.

# AGENCY FUNDING

The deadline for returning 2021-2022 agency funding applications is August 31 at 5 pm. Funding hearings have been scheduled for October 1 at 6 pm, October 7 at 6:30 pm, and November 5 at 6:30 pm and will be held virtually via Zoom. Branka Mackic, our Agency and Program Coordinator, is currently conducting annual site visits of all currently funded social service agencies virtually.

# **TELEHEALTH SERVICES**

MaineStay continues to offer high-quality telehealth services to residents for our counseling and psychiatric treatment programs that remains desperately needed during this time. MaineStay therapists continue to provide more therapy sessions virtually than they usually do in person. A recent CDC survey found that suicidal ideation is up among young people since last year, with as many as one in four people ages 18 through 24 having seriously considered suicide in the past 30 days. In the general US population, the CDC reported that 11% of adults surveyed had seriously considered suicide in the past 30 days before they completed the survey. MaineStay is honored to assist Maine Township residents who are struggling during this challenging time and is committed to doing everything we can to help our community successfully navigate this period of crisis. Our clinical operations via telehealth are continuing in much the same manner as they would in person. All forms that clients would normally fill out or sign in the office (e.g. consent for treatment, release of information, symptom checklist, fee reduction request, treatment plan) have been digitized so they can be completed and e-signed online, and we continue to make improvements to this new digital document workflow. We are still accepting new clients for counseling and psychiatric services.

# FEATURED STORY OF THE MONTH

We recently received the following email from a parent whose son is in both our Art in the Town program run by Anne Camarano and our Just Craftin' Around program run by Branka Mackic.

-----Original Message-----From: Donna Sent: Friday, August 7, 2020 3:20 PM To: Anne Camarano <<u>acamarano@mainetown.com</u>> Subject: Great Programs!

Dear Anne: Thank you for offering the virtual "Art in the town" and "Crafting Around " classes this Summer. My 8 year old son **the first** is having so much fun and it is gives him something interactive to look forward during this pandemic. He is saving all of his projects and putting them all together in an art portfolio to show his grandpa at the end of the sessions. These classes have been such a big help since I am a single mother and currently unemployed due to this pandemic. I was searching for online classes previous to your offerings , however they were quite expensive. I really appreciate the township offering these Summer classes and hope they continue during this pandemic .

# **COMMUNITY EDUCATION WEBINAR**

On August 18 from 7-8:30 pm we will host our next community education webinar entitled *E-Cigs, Vaping, & Marijuana: Emerging Drug Trends in Today's Adolescents.* Attendees at this seminar will learn to tell fact from fiction about vaping and marijuana, including the impact of the THC and nicotine industries on public perception and the implications of use on health. Attendees will also be presented with actionable tips for prevention, allowing everyone to learn how they can do their part in turning the tide in this modern substance use epidemic.

# VIRTUAL SUMMER PROGRAMMING

Our Become Your Own Superhero online group concluded in July and our other two virtual programs continued this month.

- Art in the Town: Summer Edition Usually only offered in the spring and fall, we are hosting a special eight-week summer session for children ages 8-14 in partnership with Brickton Art Center that quickly filled to capacity with a waiting list. Sessions are facilitated by an art therapist and focus on healthy ways to relieve stress through artistic expression. Each project helps students better cope with the anxiety and many uncertainties they are facing right now. We assembled packets with materials for all participants.
- **Just Craftin' Around** This virtual arts and crafts program for all experience levels is designed to encourage creativity and self-expression in a social and fun setting. The six-week program, which also filled to capacity with a waiting list, introduces students ages 8-13 to a unique weekly craft utilizing various art forms and mediums. A supply kit was provided to all participants.

# MENTORING

Our mentoring program, offered in partnership with Big Brothers Big Sisters, has continued to have virtual meetings via Zoom twice a month during the summer as it aims to help provide students with additional social emotional supports they need during this difficult time.

# COUNSELING

MaineStay had 11 new counseling intakes in June. We had 112 ongoing cases and now have a total of 123 cases in our affordable strength-based counseling program. We currently have a waiting list of 17 clients.

# **PSYCHIATRIC SERVICES**

MaineStay, in partnership with The Josselyn Center, continues to offer affordable and convenient psychiatric services to residents via Zoom video or phone sessions, although initial diagnostic assessment must be done via video. Services are available to both adults and children age 12 and older. Medicaid recipients are welcome and a sliding fee is available. We have continued with our monthly program management meetings via Zoom as well as a monthly staffing with Dr. Frick that focuses on specific patients receiving both therapy and psychiatric services through MaineStay.

# GARAGE SALE

Due to COVID-19 prevention measures, we will not be holding our annual garage sale in September.

# MAINESTAY E-NEWSLETTER

As a way to share news about MaineStay services with our community in a cost-effective manner, we have sent out a periodic email newsletter for the past 11 years. We now have over 4,600 subscribers.

# **COMMUNITY INVOLVEMENT**

During July, I participated in the Park Ridge Opioid Advisory Group meeting. Anne Camarano attending a Niles Teen Center Task Force virtual meeting that focuses on how local organizations can provide support and effectively engage youth during the pandemic.

To: Elected Officials
From: Nader Ghazaleh, Code Enforcement Officer
CC: Dayna Berman, Administrator
Date: 8/19/2020

As summer comes to a full swing with hot temperatures on the rise, I've noticed most construction projects being completed, and the ones without permits I've cited. Received many phone calls during rain days regarding mosquitos, bugs, insects, and referred to abatement division which solved the issues. Ongoing issues with residents putting garbage out before scheduled garbage pick up day. Talking with them regarding coming to town hall and request stickers for when they have more than one bulk item. Successfully had three empty lots cleaned up from overgrown vegetation, dead trees, and branches. Have put out quite a few deficiencies regarding dead pine trees in Glenview area, residents have started removing. Also, have had many commercial vehicles taxis, trucks seem to have gotten out of control due to covid 19 in Township area.

I worked closely with IDOT to have most of the large vegetation areas that they are responsible for such as Milwaukee road between Central and Golf cleaned up, so it does not go over into our resident's backyards. They also cut heavy vegetation at Central going east, which has become a safety issue for residents to walk thru. Continuing towing vehicles mostly off Dee Road some of which are repeated offenders, hopefully they will comply in the future. Have received calls from residents on Robin Drive complaining that neighbors are parking on front lawns, have issued deficiencies and have given 24 hours to comply. Has been a busy month many calls coming in from residents with a variety of complaints.

August Deficiency's issued: 22

August. tickets issued: 18
