Day 1, Tuesday, August 27th

Our first stop will be lunch at Indy's historic Steer-In, which opened in 1960. It was featured on Guy Fieri's Diners, Drive-Ins & Dives. After lunch we will continue our drive to downtown Louisville, Kentucky, where we will check into the Omni Louisville Hotel for two nights. In the evening, we hop on the My Old Kentucky Dinner Train for a unique and delightful experience. Imagine stepping aboard a restored 1940s dining car and embarking on a 2.5-hour journey through the picturesque Kentucky countryside. During this scenic ride, you'll indulge in a gourmet, multi-course meal prepared fresh on the train. **Lunch and Dinner Included.**

Day 2, Wednesday, August 28th

Breakfast will be on your own this morning. Choose from the hotel restaurant, the hotel market, or visit somewhere local near the hotel. Then we begin our day at the world-famous Churchill Downs, home of the Kentucky Derby, the first leg of the Triple Crown Thoroughbred Race. Walk through the Grandstands where thousands of people roar with excitement on Derby Day. Our tour guide will lead us to the rail of the legendary dirt track where every Derby winner has raced, from Aristides to Secretariat and many more. Our guide will share stories of the early days of the Kentucky Derby through its transformation into the iconic event it is today. Enjoy a viewing of "The Greatest Race," a 360° multi-media experience that will give you chills as you are immersed in the magic of the Derby. A day at Churchill Downs is not complete until you have a traditional hat that is suitable for Derby Day. Big brim with lots of trimmings or simple and chic? You will create your very own Kentucky Derby hat. The hat, all the ribbons, bows, flowers, and fanfare will be provided - you provide the style.

Explore a self-guided tour of the Kentucky Derby Museum, two floors of interactive exhibits and artifacts dating back to 1875, the year of the first Kentucky Derby. We will enjoy a traditional southern Kentucky buffet lunch on the grounds of Churchill Downs.

Then, we're off to the Louisville Slugger Museum & Factory to see where the iconic baseball bat is made. We will learn about baseball history, tour the factory, and shop for gifts.

Enjoy the evening as we step aboard the iconic Belle of Louisville Riverboat for a trip back in time. Experience spectacular views of downtown Louisville and explore the area's history while cruising on the Ohio River, enjoying dinner and live music. A historic cruise deserves a historic bourbon, and a Castle & Key Brand Ambassador will be on board to provide a taste and weave us a tale of one of Kentucky's most iconic distilleries. **Lunch & Dinner Included.**

Day 3, Thursday, August 29th

Today, we experience Bible history at the life-sized reconstruction of Noah's Ark in Northern Kentucky. This Ark Encounter is the largest timber-frame structure in the world, built in part by skilled Amish craftsmen from standing dead timber. Ark Encounter features a full-sized Noah's Ark, built according to the dimensions given in the Bible, spanning 510 feet long, 85 feet wide, and 51 feet high. As we enter Noah's World aboard the massive Ark, we will tour three decks filled with world-class exhibit bays and meet Noah, his family, and the animals. These stunning exhibits allow us to experience what Noah's life may have been like. Enjoy a lunch buffet, at your leisure, at Emzara's, on the grounds of Ark Encounter.

Before heading home, we will make a stop in Cincinnati, Ohio, to tour the American Sign Museum, which is dedicated to the art and history of commercial signs and sign making. The museum is proud to be the largest public museum dedicated to signs in the United States! Covering more than 100 years of American sign history, in 20,000 square feet of indoor space, we will walk through the ages of technology and design. The storefront-laden Signs on Main Street display recreates a typical "Main Street USA", with shop windows full of sign-related objects, curiosities, and samples. From early, pre-electric signs adorned in goldleaf, to the earliest electric signs, to beautiful art-deco neon, to the modern plastic-faced sign, the museum covers it all. **Lunch Included, Rest Stop on the way home**

Please note: Due to unforeseen circumstances certain destinations and/or timing are subject to change or cancel.
