PREFACE

This Code constitutes a codification of the general and permanent ordinances of the Township of Maine, Illinois.

Source materials used in the preparation of the Code were the ordinances adopted by the supervisor and board of trustees. The source of each section is included in the history note appearing in parentheses at the end thereof. The absence of such a note indicates that the section is new and was adopted for the first time with the adoption of the Code. By use of the comparative tables appearing in the back of this Code, the reader can locate any section of any ordinance included herein.

Editor's notes and state law references are intended as an aid and guide to the reader for informational, explanatory and organizational purposes only and shall not be deemed a part of the text of any section and are not controlling or have any legal effect on the text.

Sec. 1-6. History notes.

The history notes appearing in parentheses after sections in this Code are not intended to have any legal effect, but are merely intended to indicate the source of matter contained in the section.

Sec. 1-7. Amendments to Code.

(a) All ordinances passed subsequent to the adoption of this Code which amend, repeal or in any way affect this Code may be numbered in accordance with the numbering system of this Code and included therein. When subsequent ordinances repeal any chapter, section or subsection or any portion thereof, the repealed portions may be excluded from this Code by omission from the revised pages.

(b) Amendments to any of the provisions of this Code may be made by amending the provisions by specific reference to the section, division, or article number of this Code in substantially the following language:

Section ___ of the Code of Ordinances, Maine Township, Illinois, is hereby amended to read as follows: (Set out new provisions in full.)

(c) When the board of trustees desires to enact an ordinance of a general and permanent nature on a subject not heretofore existing in the Code, which the board desires to incorporate into the Code, a section in substantially the following language may be made part of the ordinance:

The Code of Ordinances, Maine Township, Illinois, is hereby amended by adding a new section, to be numbered ___, which section reads as follows:" The new section should then be set out in full.

Sec. 1-8. Supplementation of Code.

(a) By contract or by township personnel, supplements to this Code shall be prepared and printed whenever authorized or directed by the board of trustees. A supplement to the Code shall include all substantive parts of permanent and general ordinances passed by the board of trustees during the period covered by the supplement and all changes made thereby in the Code. The pages of a supplement shall be so

numbered that they will fit properly into the copy of the printed Code and will, where necessary, replace pages that have become obsolete or partially obsolete, and the new pages shall be so prepared that, when they have been inserted, the Code will be current through the date of the adoption of the latest ordinance included in the supplement.

(b) In preparing a supplement to this Code, all portions of the Code which have been repealed shall be excluded from the Code by the omission thereof from reprinted pages.

(c) When preparing a supplement to this Code, the codifier (meaning the person, agency or organization authorized to prepare the supplement) may make formal, nonsubstantive changes in ordinances and parts of ordinances included in the supplement, insofar as it is necessary to do so to embody them into a unified Code. For example, the codifier may:

- (1) Organize the ordinance material into appropriate subdivisions.
- (2) Provide appropriate catchlines, headings and titles for sections and other subdivisions of the Code printed in the supplement, and make changes in such catchlines, headings and titles.
- (3) Assign appropriate numbers to sections and other subdivisions to be inserted in the Code and, where necessary to accommodate new material, change existing section or other subdivision numbers.
- (4) Change the words "this ordinance" or words of the same meaning to "this chapter," "this article," "this division," etc., as the case may be, or to "sections ___ to ___" (inserting section numbers to indicate the sections of the Code which embody the substantive sections of the ordinance incorporated into the Code).
- (5) Make other nonsubstantive changes necessary to preserve the original meaning of ordinance sections or the alphabetical arrangement of new chapters inserted into the Code. In no case shall the codifier make any change in the meaning or effect of ordinance material included in the supplement or already embodied in the Code.

Sec. 1-9. Unauthorized alteration.

It shall be deemed unlawful for any person to alter, change, replace or deface, in any way, any section or any page of this Code in such a manner that the meaning of any phrase or order may be changed or omitted. Replacement pages may be inserted

according to the official instructions when so authorized by the board of trustees. The township clerk shall see that the replacement pages are properly inserted in the official copies maintained in the office of the clerk.

Sec. 1-10. Effect of repeal of ordinances.

(a) When any ordinance repealing a former ordinance, clause or provision shall be itself repealed, such repeal shall not be construed to revive such former ordinance, clause or provision unless it shall be therein so expressly provided.

(b) The repeal of an ordinance shall not affect any punishment or penalty incurred before the repeal took effect, nor any suit, prosecution or proceeding pending at the time of the repeal, for an offense committed or cause of action arising under the ordinance repealed.

Sec. 1-11. Certain ordinances not affected by Code adoption.

(a) Nothing in this Code or the ordinance adopting this Code shall be construed to repeal or otherwise affect the validity of any of the following:

- (18) Any ordinance or resolution promising or guaranteeing the payment of money for the township, or authorizing the issuance of any bonds of the township or any evidence of the township's indebtedness, or any contract or obligation assumed by the township.

(b) All such ordinances are hereby recognized as continuing in full force and effect to the same extent as if set out at length herein and are on file in the township clerk's office.

Sec. 1-12. Severability.

Each section, paragraph, sentence, clause and provision of this Code is severable and if any provision is held unconstitutional or invalid for any reason, such decision shall not affect the remainder of this Code, nor any part thereof, other than that part affected by such decision.

Sec. 1-13. Acceptance into evidence.

This Code, as presented in printed form, shall be received without further proof in all courts and in all administrative tribunals of the state, as the ordinances of the township of general and permanent effect, except the excluded ordinances enumerated in section 1-11.

Sec. 1-14. General penalty.

(a) *General enforcement.* Unless another penalty is provided, a violation of any section of this Code shall be punishable as a petty offense and the violator fined not less than \$75.00 nor more than \$500.00 for any one offense, plus court costs and fees. Secs. 2-41—2-68. Reserved.

Subdivision II. Rules for Public Participation

Sec. 2-69. Recognition and applicability standards.

(a) The town board recognizes the value of public comment and regards the opportunity for expression of public views on matters of community interest and issues before the board as an important part of its deliberations.

*State law reference—Open Meetings Act, 5 ILCS 120/1 et seq.

(b) The following rules shall apply to any and all public comment during the township's open public meetings:

- (1) Members of the public shall be permitted to address the town board during the portion of each regular meeting designated as "public participation" and to comment on any subject matter concerning the township.
- (2) Members of the public shall be permitted to address the town board during the portion of each special meeting designated as "public participation," but comments from the public shall be limited in scope to only those matters of business then under immediate consideration by the supervisor and board of trustees at each special meeting.
- (3) Speakers are required to state their name for the record before making any comments.
- (4) Each member of the public addressing the town board shall be limited to a five-minute duration. At the discretion of the town board, the person providing public comments may be allowed to speak beyond the allotted five minutes, or the supervisor may direct the person to submit further comments, in writing, to the supervisor for distribution to the trustees. ARTICLE IV. ETHICS AND CONFLICTS OF INTEREST*

DIVISION 1. GENERALLY

Sec. 2-200. Intent.

(a) The state general assembly has enacted the Officials and Employees Ethics Act (Public Act 93-615, effective November 19, 2003, as amended by Public Act 93-617, effective December 9, 2003), which is a comprehensive revision of state statutes regulating ethical conduct, political activities and the solicitation and acceptance of gifts by state officials and employees.

***State law references**—Illinois Governmental Ethics Act, 5 ILCS 420/1-101 et seq.; Officials and Employees Ethics Act, 5 ILCS 430/1-1 et seq.; adoption of certain acts required by governmental entities, 5 ILCS 430/70-5.

(b) The Ethics Act requires all units of local government and school districts, within six months after the effective date of Public Act 93-615, to adopt ordinances or resolutions regulating the political activities of, and the solicitation and acceptance of gifts by, the officers and employees of such units in a manner no less restrictive than the provisions of the Act.

(c) It is the clear intention of the Act to require units of local government and school districts to implement regulations that are at least as restrictive as those contained in the Act, and to impose penalties for violations of those regulations that are equivalent to those imposed by the Act, notwithstanding that such penalties may exceed the general authority granted to units of local government to penalize ordinance violations.

(d) It is the clear intention of the Act to provide units of local government with all authority necessary to implement its requirements on the local level regardless of any general limitations on the power to define and punish ordinance violations that might otherwise be applicable.

(e) Because the Act provides for the imposition of significant penalties for violations of local regulations, it is necessary to adopt the required regulations by ordinance rather than by resolution.

(Ord. No. 2004-2, intro. ¶, 4-27-2004)

Sec. 2-299. Powers and duties.

- (a) The ethics commission shall have the following powers and duties:
- (1) To promulgate procedures and rules governing the performance of its duties and the exercise of its powers.
 - (2) Upon receipt of a signed, notarized, written complaint, to investigate, conduct hearings and deliberations, issue recommendations for disciplinary actions, impose fines in accordance with section 2-203(c) and refer violations of section 2-202 or division 2 of this article to the appropriate attorney for prosecution. The commission shall, however, act only upon the receipt of a written complaint alleging a violation of this article and not upon its own prerogative.
 - (3) To receive information from the public pertaining to its investigations and to require additional information and documents from persons who may have violated the provisions of this article.
 - (4) To compel the attendance of witnesses and to compel the production of books and papers pertinent to an investigation. It is the obligation of all officers and employees of the township to cooperate with the commission during the course of its investigations. Failure or refusal to cooperate with requests by the commission shall constitute grounds for discipline or discharge.

(b) The powers and duties of the commission are limited to matters clearly within the purview of this article.

(Ord. No. 2004-2, § 1(20-4), 4-27-2004)

Sec. 2-300. Complaint procedure.

(a) Complaints alleging a violation of this article shall be filed with the ethics commission.

(b) Within three business days after the receipt of a complaint, the commission shall send, by certified mail, return receipt requested, a notice to the respondent that a complaint has been filed against him or her and a copy of the complaint. The commission shall send, by certified mail, return receipt requested, a confirmation of the complaint to the complainant within three business days after receipt by the commission. The notices to the respondent and the complainant shall also advise them of the date, time, and place of the meeting to determine the sufficiency of the complaint and to establish whether probable cause exists to proceed.

(c) Sufficiency of complaint.

(1) Upon not less than 48 hours' public notice, the commission shall meet to review the sufficiency of the complaint and, if the complaint is deemed sufficient to allege a violation of this article, to determine whether there is probable cause, based on the evidence presented by the complainant, to proceed. The meeting may be closed to the public to the extent authorized by the Open Meetings Act. The commission shall issue notice to the complainant and the respondent of the commission's ruling on the sufficiency of its complaint, and, if necessary, on probable cause to proceed within seven business days after receiving the complaint.

(2) If the complaint is deemed sufficient to allege a violation of division 2 of this article then the commission shall notify in writing the attorney designated by the corporate authorities to prosecute such actions and shall transmit to the attorney the complaint and all additional documents in the custody of the commission concerning the alleged violation.

(d) On the scheduled date and upon at least 48 hours' public notice of the meeting, the commission shall conduct a hearing on the complaint and shall allow both parties the opportunity to present testimony and evidence. The hearing may be closed to the public only if authorized by the Open Meetings Act.

(e) Within 30 days after the date the hearing or any recessed hearing is concluded, the commission shall either dismiss the complaint or issue a recommendation for discipline to the alleged violator and to the supervisor and board of trustees of the township, or impose a fine upon the violator, or both. The particular findings in the case, any recommendation for discipline, and any fine imposed shall be a matter of public information.

(f) If the hearing was closed to the public, the respondent may file a written demand for a public hearing on the complaint within seven business days after the issuance of the recommendation for discipline or imposition of a fine, or both. The filing of the demand shall stay the enforcement of the recommendation or fine. Within 14 days after receiving the demand, the commission shall conduct a public hearing on the complaint upon at least 48 hours' public notice of the hearing and allow both parties the opportunity to present testimony and evidence. Within seven days thereafter, the commission shall publicly issue a final recommendation to the alleged violator and to the supervisor and board of trustees or impose a fine upon the violator, or both.

(g) If a complaint is filed during the 60 days preceding the date of any election at which the respondent is a candidate, the commission shall render its decisions as required under subsection (e) of this section within seven days after the complaint is filed, and during the seven days preceding that election, the commission shall render such decision before the date of that election, if possible.

(h) The commission may fine any person who intentionally violates any provision of division 2 of this article in the amount of not less than \$1,001.00 and not more than \$5,000.00. The commission may fine any person who knowingly files a frivolous complaint alleging a violation of this article in an amount of not less than \$1,001.00 and not more than \$5,000.00. The commission may recommend any appropriate discipline up to and including discharge.

(i) A complaint alleging the violation must be filed within one year after the alleged violation.

ARTICLE V. SEXUAL HARASSMENT POLICY

Sec. 2-319. Applicability.

This article shall apply to all employees and officers of the township.
(Ord. No. 2017-5, exh. A(9.1), 2-25-2020)

Sec. 2-320. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Employee means a person employed by the township, whether on a full-time or part-time basis or pursuant to a contract, whose duties are subject to the direction and control of an employer with regard to the material details of how the work is to be performed, but does not include an independent contractor.

Officer means a person who holds, by election or appointment, an office in the township regardless of whether the officer is compensated for service in his or her official capacity.

Sexual harassment means any unwelcome sexual advances, requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Working environment is not limited to a physical location an employee is assigned to perform his or her duties.

(Ord. No. 2017-5, exh. A(9.1.1), 2-25-2020)

Sec. 2-321. Prohibition on sexual harassment.

(a) *Unlawful conduct of employee and officer.* Each employee and officer of the township has the responsibility to refrain from sexual harassment in the workplace and is prohibited from engaging in conduct that constitutes sexual harassment.

(b) *Types of misconduct.* Conduct which may constitute sexual harassment includes:

- (1) *Verbal.* Sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.

- (2) *Nonverbal.* Suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls," "smacking" or "kissing" noises.
- (3) *Visual.* Posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- (4) *Physical.* Unwelcome touching, hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- (5) *Texting/electronic.* "Sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/online postings, blogs, instant messages and social network websites like Facebook and Twitter).

(c) *Determination of sexual harassment or conduct.* The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is subtler and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

(Ord. No. 2017-5, exh. A(9.1.2), 2-25-2020)

Sec. 2-322. Reporting an allegation of sexual harassment.

(a) An employee who either observes or believes herself/himself to be the object of sexual harassment should deal with the incident as directly and firmly as possible by clearly communicating her/his position to her/his immediate supervisor or the township administrator or the township supervisor.

(b) It is not necessary for sexual harassment to be directed at the person making a complaint.

(c) During the occurrence of an incident of sexual harassment or following reporting, the township may document or record each incident (what was said or done, the date, the time, and the place). Additionally, the township may collect and/or compile related written records such as letters, notes, memos, electronic messages and telephone messages.

(d) All charges, including anonymous complaints, will be accepted and investigated regardless of how the matter comes to the attention of the township. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

(e) Proper methods of reporting conduct believed to be sexual harassment include the following:

- (1) Electronic/direct communication. If there is sexually harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If the subsequent messages are needed, they should be put in writing in a note or a memo.
- (2) Contact with supervisory personnel. At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor or the township administrator or the township supervisor.
- (3) Formal written complaint. An employee may also report incidents of sexual harassment directly to the township administrator. The township administrator will counsel the reporting employee and be available to assist with the filing of a formal complaint. The employer will fully investigate the complaint and advise the complainant and the alleged harasser of the results of the investigation.
- (4) Resolution outside the township. The purpose of this article is to establish prompt, thorough and effective procedures for responding to every complaint and incident so that problems can be identified and remedied internally. However, an employee has the right to contact the Illinois Department of Human Rights (IDHR) or the equal employment opportunity commission (EEOC) about filing a formal complaint with those entities. An IDHR complaint must be filed within 180 days of the alleged incident unless it is a continuing offense. A complaint with the EEOC must be filed within 300 days.

(f) All reports shall be received and handled as confidential to the extent permitted by law and subject to any disclosure requirement pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.).

(g) The employee experiencing what he or she believes to be sexual harassment must not assume that the township is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the township will not be presumed to have knowledge of the harassment.

(h) Allegations of sexual harassment by an elected official against another elected official shall be reported to the township ethics committee. Upon receipt of an allegation of harassment, the ethics committee shall appoint a qualified independent attorney to review and investigate all allegations set forth in the complaint.

(Ord. No. 2017-5, exh. A(9.1.3), 2-25-2020)

Sec. 2-323. Prohibition against retaliation for reporting sexual harassment.

(a) An employee shall not be retaliated against by the township or the employees or officers of the township due to the employee's:

- (1) Disclosure or threatened disclosure of any violation of this article;
- (2) Provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this article; or
- (3) Assistance or participation in a proceeding to enforce the provisions of this article.

(b) No individual making a report will be retaliated against even if a report made in good faith is not substantiated.

(c) The employer will take reasonable steps to protect from retaliation any employee or officer who is a witness.

(d) Supervisors must ensure that no retaliation will result against an employee making a sexual harassment complaint.

(e) Similar to the prohibition against retaliation contained herein, the Officials and Employees Ethics Act (5 ILCS 430/15-10) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

- (1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, agency, or other employee that the employee reasonably believes is in violation of a law, rule or regulation;
- (2) Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, agency or other employee; or
- (3) Assists or participates in a proceeding to enforce the provisions of the Officials and Employees Ethics Act.

(f) Pursuant to the Whistleblower Act (740 ILCS 174/15(a)), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a state or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law

enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a state or federal law, rule, or regulation (740 ILCS 174/15(b)).

(g) According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding or hearing under the Illinois Human Rights Act.

(h) An employee who is suddenly transferred to a lower-paying job or passed over for a promotion after filing a complaint with IDHR or EEOC may file a retaliation charge, due within 180 days (IDHR) or 300 days (EEOC) of the alleged retaliation. (Ord. No. 2017-5, exh. A(9.1.4), 2-25-2020)

Sec. 2-324. Consequences.

(a) In addition to any and all other discipline that may be applicable pursuant to the township's policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this article or the prohibition on sexual harassment contained in 5 ILCS 430/5-65 may be subject to a fine of up to \$5,000.00 per offense, applicable discipline or discharge by the employer and any applicable fines and penalties established pursuant to local ordinances, state law or federal law. Each violation may constitute a separate offense. Any discipline imposed by the township shall be separate and distinct from any penalty imposed by any ethics commission and any fines or penalties imposed by a court of law or a state or federal agency.

(b) False and frivolous charges refer to cases where the accuser is using a sexual harassment complaint to accomplish some end other than stopping sexual harassment. It does not refer to charges made in good faith which cannot be proven. A false and frivolous charge is a severe offense that can itself result in a disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this article shall be subject to discipline or discharge pursuant to applicable township policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

(c) Any person who intentionally makes a false report alleging a violation of any provision of the Officials and Employees Ethics Act to an ethics commission, an inspector general, the state police, a state's attorney, the attorney general, or any other

law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000.00 against any person who intentionally makes a false, frivolous or bad faith allegation.

(Ord. No. 2017-5, exh. A(9.1.5), 2-25-2020)

Sec. 2-325. Annual sexual harassment prevention training.

All township employees and elected officials shall be required to attend annual sexual harassment prevention training. This training shall equal or exceed the state department of human rights model sexual harassment prevention training program.
